BROWN FAMILY CORRESPONDENCE

This collection consists of part of a larger collection of material. The rest of this is housed in the Scottish Record Office. The New College items were received in 1987. They have all been given the call number BRO150 and then are divided into 8 groups mostly relating to the particular member or part of the family involved in them. See rough tree on following page.

The list contains a reference number at the right hand corner consisting of 'BRO150' followed by a group number between 1 and 8 which is used for boxing the items. Thereafter each item is numbered in sequence with some regard to dates. The remaining items for each entry cover the following:

1 Sender
2 Place of origin
3 Date (Year0000-Month00-Day00)
4 Recipient
5 Destination
6 Rough Indication of Contents
7 Bundle number as in list from SRO
