Notes and References

39. Part of this point is implicit in traditional surveys such as Charles Wilson's *England's Apprenticeship* (1965), but the sweep of excitement of it all is conveyed in David Hancock, *Citizens of the World: London Merchants and the Integration of the British Atlantic Community, 1735–1783* (1995).

5 THE IDEA OF BRITAIN AND THE CREATION OF THE FIRST BRITISH EMPIRE
