DIRECTORY OF OPEN ACCESS JOURNALS (DOAJ)

EBSCO
DOAJ aims to increase visibility of journals and inclusion in the directory means the journal can easily be incorporated into library catalogues and discovery systems.

- Journals with the content in PDF format will be included in long term preservation projects.
- Our statistics show more than 10 millions successful requests a month for DOAJ site from all over the world.
- Many web crawlers are fetching the content of DOAJ to be a part of their search engines.
- DOAJ is OAI compliant.
- Once the article is available in DOAJ, it becomes automatically OAI harvestable.
- Many aggregators and database providers are regularly harvesting DOAJ content in order to include it to their commercial databases.
THANK YOU
