SCOTTISH GOVERNMENT YEARBOOK 1979

SECTION 1

RECENT PUBLICATIONS IN SCOTTISH GOVERNMENT AND POLITICS

C. H. ALLEN,
Department of Politics, University of Edinburgh

The lists below cover material published in the period 1.6.77 to 31.5.78, together with material omitted from earlier lists. I would be grateful if readers would notify me of any items missing from the current lists.

As before, the items are divided into two lists, the first covering books, pamphlets, long articles, memoranda and sets of newspaper features; and the second covering short articles and newspaper features. There is a break in the numbering, with the second part beginning at 400, to allow for easier identification of longer pieces in the index at the end of the lists.

Certain periodicals have been abbreviated thus:

CCN Community Council News
Econ. The Economist
FT Financial Times
G Guardian
GH Glasgow Herald
Orc. The Orcadian
S Scotsman
SDE Scottish Daily Express
